interactive sound performance

# ABOUT

Das Musik-Event "Breaking The Wall" im Kuppelsaal der TU Wien läßt neue Arten von interaktiver Musik-Performance erleben. Die Musiker/innen Electric Indigo, null.head und Johannes Kretz laden zur Beteiligung an Musik-Performances im Wechselspiel Künstler/in-Publikum-Technologie ein. Roboter, Smartphones und Laser treffen dabei auf Musik aus den Bereichen Elektronik, Elektro-Akustik und Industrial.

The music-event "Breaking The Wall" presents a new kind of interactive music experience. The musicians Electric Indigo, null.head and Johannes Kretz call for participation in the interplay of artist, audience and technology. In the performances robots, smartphones and lasers interact with electronic, electro-acoustic and industrial music.
